

~~SECRET~~*Office Memorandum* • UNITED STATES GOVERNMENT

TO : MEMO FOR THE RECORD

DATE: 10 October 1951

FROM : General Counsel

SUBJECT: Items for the Daily Log - 10 October (Wednesday)

25X1

2. Conferred with Mr. Shannon, Colonel Hansen and Mr. Pforzheimer on the omission from the Appropriation Bill of provision for funds for the CIA Building. The consensus was that the fault, if any, lay with the staff work on the Congressional side and was not a matter for recrimination. Agreed on the recommendations to try to repair the damage by action with the members of the appropriate Senate subcommittee.
